Production Manager

Full-Time | Wagga Wagga, NSW | Immediate Start

Byrne Trailers is a leading manufacturer of high-quality trailers and transport solutions. With over 50 years of experience in the industry, we are known for our commitment to innovation, safety, and customer satisfaction. Our state-of-the-art production facility in Wagga Wagga is equipped with the latest technology and staffed by a dedicated team of skilled professionals.

About the Role

As the Production Manager at Byrne Trailers, you will provide leadership and day-to-day operational support to our production line, ensuring safety, efficiency, and quality standards are upheld. You'll play a key role in maintaining production schedules, driving team performance, and fostering a positive workplace culture.

What you'll be doing:

- Supervise and support the production team, promoting a safe and efficient work environment
- Ensure production timelines and quality standards are consistently met
- Provide effective troubleshooting and on-the-ground problem solving
- Lead with a professional, hands-on approach, encouraging open communication and staff morale
- Coordinate and prioritise daily activities to meet project deadlines and customer expectations

What we're looking for

Qualifications & Experience:

- Trade Certificate in Welding (essential)
- Proven supervisory experience in a manufacturing environment
- Current driver's licence

Skills & Attributes:

- Strong leadership and people management capabilities
- Commitment to Workplace Health & Safety and Equal Employment Opportunity
- Ability to manage production projects and meet deadlines in a fast-paced environment
- Quality-focused with excellent attention to detail
- Strong planning, organisation, and prioritisation skills
- Practical troubleshooting and problem-solving ability
- Customer-focused with a good understanding of production deadlines and quality expectations
- Motivated, positive, and proactive attitude
- Ability to work independently and as part of a team
- Flexible, adaptable, and eager to learn from others
- Professional approach and initiative-driven

How to Apply

If you're a hands-on leader with a background in welding and manufacturing, we'd love to hear from you. Please send your resume to:
